Bring yourself home to this remodeled, spacious brick Craftsman built strong for the test of time. Admire the professional work that went into the newly upgraded kitchen and baths with modern fixtures, recessed lighting, appliances, countertops, and an island that you'll be proud to entertain in that also is accompanied by an electric stove in dining room area that adds to the comfort and ambiance. 5 years new, rear addition which includes the 1st floor main bedroom with en suite full bath, office, and laundry room. Upstairs has a remodeled bath and 2 more bedrooms. Home boasts central air throughout, with first floor having a central air system, rear addition and 2nd floor have efficient mini-split heat pumps. Centralized heats are oil forced hot air furnace that has been regularly maintained and new baseboard electric. Relax on your porch swing as you sit up high overlooking beautiful Berry Mountain or gather on the back patio that was installed in 2020 with maintenance free retaining walls and a nice, manageable yard. Parking area in rear redone to accommodate 3 cars comfortably and garden shed. This home has a lot of amenities and upgrades for the price and it is just at the edge of town, close to the Millersburg Community Pool and other conveniences. Call today us today to see this well-maintained property, as we're sure you'll be impressed and desire to call it your own.
